Carts & Pedestals

For Countertop & Undercounter Refrigerators and Freezers

Carts and pedestals offer greater versatility for your refrigerator or freezer. They are designed for raising units to a more comfortable working height or transporting to multiple locations. Medical carts and pedestals are for use in hospitals, clinics, private health practices, pharmacies, and more.

Countertop Carts

Tall Cart

Cart allows countertop refrigerator to be rolled to multiple locations for the convenient transport of refrigerated medications and vaccines. Large casters provide easy mobility and smooth rolling for confident use.
